31st January 2021

To our Boyanup school community

As announced by the Premier Mark McGowan on Sunday 31st January, schools are closed for the next 5 days as the region commences COVID-19 lockdown at 6pm today.

We will continue to share information via SMS messages and email. The Government information is available on the link below:

Please look after yourselves and one another during these difficult times, and stay safe.

We hope that schooling in some form will be resuming on Monday 8th February.

We are awaiting advice and will pass on details as soon as we have confirmation.

Regards

Justin Grasso - Principal
